REF: Glory House Final PREA Auditor's Summary Report

Director Johnson,

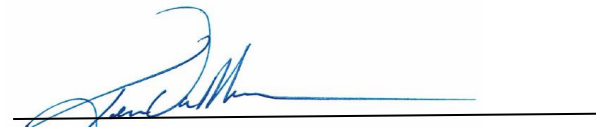

Congratulations to the Glory House on compliance with the Prison Rape Elimination Act (PREA) standards as verified by the attached Final Auditor's Summary Report of the audit conducted on July 12th, 13th and 14th, 2016.

The Glory House's effort to achieving compliance was evident by your entire staff and their leadership. The process of maintaining standards and preparing for the audit was the result of hard work at every level of your staff and not one single person. However, I would like to take this opportunity to note that the coordination and effort by PREA Coordinator Nicki Dvorak exemplified her dedication to reaching compliance.

If you or your staff has any questions in relation to this PREA Audit at anytime, please don't hesitate to contact me.

On behalf of Cogent, LLC it was a pleasure working with such a professional organization dedicated to preventing sexual abuse among clients.

Sincerely,

Kenneth VanMeveren
