## Glory House Apartments Now Open!

After over ten years of planning, Phase II of the Glory House Apartments are now open. June 10th, 2024, we opened an additional 51 units. This building has efficiency, one-bedroom, and two-bedrooms apartments available. The building also has 12 offices, a community room, two conference rooms, tenant storage, maintenance storage, and a pantry. Counseling offices, Drug Detection, and Electronic Monitoring have transitioned to the new apartment building.

Along with the completion of the apartments, came the demolition of the garage and Annex, to make room for additional tenant parking. All of the services provided in those buildings have moved to the new apartment building. If you are interested in applying for an apartment, contact Amber at (605) 988-9125 or abartels@glory-house.org.

**Glory House will host a Grand Opening on August 13th at 11:30am. The public is invited to attend.**

## South Dakota Corrections Association

Back row: Steve Sternhagen, Chasity Towns, Allan Schauer, Frank Morton, Deb Eilers, Damien Summers, Front Row: Teresa Rents, JoAnna Mitchell, Makayla Himrich and Rachael Majeres.

Chasity Towns, Compliance Manager, attended the South Dakota Corrections Association conference this month in Huron, SD. Chasity Towns has been a member since 2008, President from 2012-2013 and is currently serving as an Executive Board Member, since 2022.

South Dakota Corrections Association is made up of behavioral health professionals, Court Service Officers, Juvenile Corrections Agents, Parole Agents, jail and prison staff, law enforcement officers, treatment centers, sober living facilities and other staff from private run facilities that serve consumers in and around our state. South Dakota Corrections holds one conference per year to help all individuals in the above fields become better equipped to do their jobs, while also providing a great way for members to build relationships with other professionals throughout the state.

The cost to join SDCA is \$20 annually. To inquire, email [Frank.Morton@state.sd.us](mailto:Frank.Morton@state.sd.us).
